MUSICIAN/BAND REFERRAL Local 226 is home to some of the finest musicians in the country. Our musicians' skills range from live performance in concert venues, theatres, private and corporate events, on television and radio, to studio recordings for CD's, DVD's, television, motion pictures and video games. Some of our members have sophisticated recording studios and we also have numerous private teachers for every instrument and every style of music imaginable. By becoming a member of the Central Ontario Musicians' Association Local 226 of the CFM/AFM, you will benefit from our brand new website and more specifically the Musician/Band Referral section. Here is where you can search for a performing musician or band by name or category of music genre or event type. As a member you will be able to update your listing in this Member's section. Our expectations are for prospective employers or talent buyers who are looking for a great professional artist, band or acts for their next event to focus on this section of our website.
